to withdraw  
holding of abandonment***PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
OFFICE ACTION NOT RECEIVED**

NOTE: The Notice of October 25, 1993, 1156 O.G. 53 states (in part): "In order to minimize costs and burdens to the practitioner and the Office when an application has become abandoned due to a failure to receive an Office action, the Office is modifying the showing required to make a petition to withdraw the holding of abandonment grantable. The showing required to establish the failure to receive an Office action[n] must consist of a statement from the practitioner stating that the Office action was not received by the practitioner and attesting to the fact that a search of the file jacket and docket records indicates that the Office action was not received. A copy of the docket record where the non-received Office action would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement."
